

EVACUATION PLAN

St. Martin's Episcopal School

Should an emergency arise while school is in session, it is important for you to know that we have made preparations to deal with such an incident.

Your cooperation is essential in an emergency. Traffic jams and jammed phone lines prevent emergency responders (police, fire, and medical personnel) from providing emergency services in a timely manner.

The Hills Church (Southlake, Texas) has offered to be designated as an alternative safe location, in the rare event that the pre-school is ordered to evacuate the premises. Students will only be released to parents and persons identified as emergency contacts, so please keep this information accurate and updated.

**The Hills Church 2501 West Southlake Blvd.

I have read and understand the evacuation plan.
