**End of the Year Slideshow**

We have so many good memories to look back on from this year and we don't want you to miss any. We will be posting the end of the year slideshow on our website on Wednesday, May 13th and it will be available to view through the 14th. If you would like a copy to keep for yourself these will be available for purchase for \$10. All proceeds from this fundraiser will go to supporting our amazing teachers. Please visit our website to place your order. These videos will be sent out via email on May 14th for those who have pre-ordered. We will keep the link open to purchase until June 1st.

**End of Year Drive-Thru Event**

Please join us on Thursday, May 14 from 9am-11am in the school parking lot. We have a scrapbook of your child's work, as well as a small end of year gift for them. We would love to see all the kids (from a safe distance). We will have a drive line where teachers can wave and say hello and then put all of your student's items in your trunk. Please contact the school office if you will not be able to attend so that we can make other arrangements.

**Summer Learning and Fun**

Just because the school year is ending, doesn't mean that the learning and fun should. Keep checking in with our distance learning Facebook group for fun summer activities. We are also hoping to have a summer family picnic if the situation allows. Watch out for emails and updates this summer. Stay safe and have a blessed summer!
