Between the ages of three and six, children are eager to learn. Research has shown that this is the most important time in a child's development – when the brain and body form connections essential for future learning and healthy physical growth.

St. Martin's Episcopal School is an exciting Christian Preschool and Kindergarten for children ages 18 months through six years.

Our Kindergarten curriculum is specifically designed to prepare your child to master the Kindergarten standards for Texas. Teachers in Keller ISD and other districts have praised how prepared the children from St. Martin's Episcopal School are for "big school."

We offer classes Monday through Friday with a unique plan that allows the parent to pick the number of days and days of the week that fit their family's schedule.

School days and times are

Monday – Thursday 9 am – 2 pm and

Friday 9 am – 12 pm

Drop-in days are also available for special events.
